

Note to Festival Musicians

Some ensembles may discover that they have more allotted rehearsal time than is needed. If you need to cancel or modify any rehearsal, you must notify ensembles coordinator Tom Parchman (parchman@maine.edu) at least 24 hours in advance. This applies to any and all additions, cancellations and changes of venue or time. Since all rehearsals are open to the public, this policy exists so that changes can be posted at Festival Headquarters and on the Festival website. Please make sure this policy is followed for every change that occurs.

Thank you
